Drop-Off

- Dancers and their guardian/parent will be met outside of ArtsPlace by a member of LBC staff for screening prior to entering the premises. We will check the dancer's temperature with a no touch thermometer, and ask for the presence of fever, shortness of breath, sore throat, change in smell or taste, diarrhea, abdominal pain or positive exposure to Covid positive patients.. Anyone with a temperature over 100.4° will not be permitted to attend.
- Dancers will be directed to the appropriate studio with their belongings. There will be no gathering or waiting in the lobby area on the 2nd floor at any time during the Summer Intensive.
- No parents will be allowed into the facility.

During Classes

- We will restrict the number of students allowed at the dance studio at one time. (Studio A 14-15 dancers and Studio B 10 dancers).
- The studio will be marked with tape to ensure appropriate spacing with a minimum of 6 feet between dancers and dancers will be asked to keep the same spot for the duration of the Intensive session.
- We will have hand sanitizer available at different sites including at the entrance of each studio.
- The restroom will be stocked with soap, paper towels and toilet paper. One dancer at a time will be allowed in the restroom.
- We will have extra time between classes to allow cleaning and sanitation of the dance space and barre.
- The staff will be responsible for disinfecting the common areas. All contact points will be sanitized throughout the day; prior to start, before lunch, after lunch, prior to changing rooms, after children leave.

Pick-Up

- Dancers will remain in the studio while waiting for their ride. An LBC staff member will wait downstairs and call up to notify the dancer their ride is downstairs. Dancers will gather all their belongings and proceed to their ride. There will be no gathering in any lobby at ArtsPlace.

Misc.

- No gum chewing or seeds will be permitted
- We ask dancers to limit the amount of personal items that they bring as they will keep their belongings near their spot at the Barre in the studio. No belongings will be allowed in the lobby areas.
- Older dancers will eat lunch in the large studio; younger dancers will eat lunch either in the Benefactor's Room or on the 3rd floor where they can distance. ALL dancers will be responsible for cleaning up their own lunch/eating area. Staff members will supervise cleaning and disposal of garbage, but will not touch anyone's lunch containers or garbage.
